Coursework Deadlines for Exams in May 2012

- These deadlines are published so you and your teachers can plan effectively.
- If you think you may miss a deadline you must let your teacher(s) know beforehand.
- Failing to meet a deadline without letting a teacher know beforehand may incur sanctions, and may result in your teacher being unable to provide feedback on your work. In such cases we may submit an earlier draft of your coursework to the IB.
- To make your own personalised copy of this data, you can delete all the subjects you do not take. To do this, highlight the entire row, right-click and then choose the 'Delete Row' option.
