To parents of Sixth Form students considering applying to US colleges and universities

Dear Parent

Intensive SAT Preparation Course

For those students who are thinking of applying to university in the US, I am writing to advise you of a forthcoming intensive SAT preparation course which will be run in school by *Studyworks*, a professional test preparation company based in London.

This course will take place over two weekends, the first in the Lent Term on **Saturday 3 March and Sunday 4 March** and the second at the beginning of the Summer Term on **Saturday 21 and Sunday 22 April**. Saturday sessions will run from 2 – 5 p.m. and Sunday sessions from 11.30 - 3.30 p.m. The cost is £325 which will be charged to your account if your son or daughter signs up for this.

Studyworks has run an identical programme for Sevenoaks pupils for the past 8 years. Previous participants have found it very useful in terms of learning test-taking techniques and increasing their speed in taking these tests which in turn has helped to improve their overall scores. Given the importance of achieving high SAT scores to gain admission to top US universities, this is undoubtedly a worthwhile opportunity for anyone considering applying for higher education in the USA.

If you do wish to enrol your son or daughter on this course, please complete and return the enclosed consent slip and return it to me by e-mail (jd@sevenoaksschool.org) by **Friday 13 January 2012**. If you have any further queries about the course, please do not hesitate to e-mail me at the address given.

Yours sincerely

Mrs Julia Douglas
Head of US and International University Applications
