

Admission to Sevenoaks School

Thank you for your recent enquiry. We are pleased to enclose information about Sevenoaks School and our admissions process. We hope that *Continuum* will give you a flavour of the school, while *The Detail* summarises the admissions process at Year 7 (11+), Year 9 (13+) and Sixth Form (16+). More information is available on the Admissions page of our website.

How to Apply

To make an application for one of our main entry points (Year 7, Year 9 or Sixth Form) please go to the Admissions Page of our website where you will find an online application form as well as details of how to pay the registration fee.

Please note that although *The Detail* is correct at the time of printing you will find the most up to date information in the online version which can be accessed here: <https://www.sevenoaksschool.org/admissions/prospectus/>

If you wish to put your child onto the waiting list for Year 8 or Year 10 or if you have missed the registration deadline for a main entry point please contact Fenella Cournane for Years 7-10 or Melanie Fearfield for Sixth Form.

We are always delighted to welcome prospective pupils and their parents to Sevenoaks, and we encourage you to visit us. Our main Open Morning takes place in June, but there are other Open Mornings during the year (please see www.sevenoaksschool.org/openmornings for details) and individual family visits are available throughout the year during term time.

As you may be aware, English schools are obliged to provide some information by law. Much is contained in the information supplied here. Parents of all new pupils joining the school receive a Parents' Handbook which we hope covers many of the more detailed questions you may have. It also outlines policies on bullying, child protection, health & safety and complaints. Copies of these, together with the details of the curriculum, are available on our website.

We look forward to welcoming you to Sevenoaks School
