Confirmation Pack and General Year 7 Admissions FAQs

I cannot log into my Pre-Assessment Portal account

Are you using a different email address to the one which was used to set up your account? If so, please email admissions@sevenoaksschool.org and we will link your new email address to your account.

If you are using the same email address and you have already submitted a complete registration pack, your child's admissions status will have changed from Applied to Confirmed. You will be unable to access your account due to the change in admissions status. Please email Admissions if you would like to access your account.

I have received an email reminding me to complete my forms but I have completed them already.

Please log onto your account and check that you have clicked SUBMIT after completing the pack. Your child will not be registered for the entrance tests as we will not be able to access the information until the form is submitted.

How do I know that you have received my confirmation pack?

A short pop-up message will confirm that you have submitted the complete pack successfully. We will contact you for any outstanding information if necessary.

I cannot upload my child's photo.

The candidate's photo should be a clear head and shoulders, passport style photo in .jpeg, or .pdf format only. If you experience difficulties in uploading a file, please email your child's photo to admissions@sevenoaksschool.org.

I have submitted my confirmation pack but I want to add and amend information on it.

Once the pack has been submitted you will be unable to make changes. You will only be able to download and print off your completed forms for your own records immediately after submission. Once we have checked the information in the confirmation pack, your child's admission status will be updated from Applied to Confirmed, at this point you will be unable to access your account due to the change in admissions status. Please email admissions@sevenoaksschool.org of any new information, adding your child's full name for reference.

For Year 7 entry

What are the entry requirements?

All pupils will take entrance tests in English, Maths and Verbal Reasoning. In addition, there will be a 40-minute group interview, and a reference will be requested from their current school.

How many pupils do you accept at 11+?

We take 80 pupils into four forms of 20 at the age of 11.

Do you have past papers for practice?

Past papers for Year 7 entry can be found in the Past Papers section on our website [here](#). We do not publish the answers as some schools use them as practice for their students.

Do you have suggested reading lists for candidates and children aged 11-13?

Parents often ask us for a list of suitable books for their children. The following reading lists are given to pupils in the school as age-appropriate recommendations. [Year 7 reading list](#); [Year 8 reading list](#)

Do you follow the CE syllabus in Years 7 and 8?

No. Sevenoaks has devised its own Year 7 and 8 curriculum including cross-curricular and investigative work, designed to instil a love of learning in the pupils.

Are there any free places available to families who can't afford your fees?

Yes. [Please click here for information about means-tested free and assisted places.](#)
