Vision

The leading school, internationally, for students seeking to combine the best of both an academic and a sporting education.
Mission

Provide opportunity for every student to thrive, within an inclusive and inspirational environment.
Aims

- Provide a range of opportunities to engage in sport across the academic year, fostering lifelong interest
- Provide an environment where excellence can be developed
- Contribute to a sustainable future for the School and wider world
- Develop behaviours which positively affect sporting culture
- Develop links with the local and international communities
