Sevensands School has been working with Amherst Primary School to help develop its Year 6 pupils' interest in science.

The students, from Years 10 and 11 and the sixth form, are holding weekly sessions for the primary school children, to cover different scientific fields, using Sevensands School's facilities and equipment.

Trinity Theatre Productions presents

The WIZARD of OZ

THU 14 DEC 2017 - WED 3 JAN 2018
