#### Parish Council news

THE Planning Committee of Otford Parish Council have been deliberating whether the village should develop a Neighbourhood Plan which would give the community direct power to produce a shared vision for their neighbourhood and shape the development and growth of their local area.

They are able to choose where they want new homes, shops and offices to be built, have their say on what those new buildings should look like and what infrastructure should be provided, and grant planning permission for the new buildings they want to go ahead.

Producing a Neighbourhood Plan is a massive undertaking which will need the help and support of all residents

524808 to register your interest.

The next meeting of the Parish Council will be held at 7.30pm in the Club Room of the Memorial Hall on Monday when you can go along and participate in the initial 10 minutes Public Forum if you would like to raise a particular village issue.

#### Prescription letters

DO not be fooled by any letters you may have received concerning your prescription.

These have nothing whatever to do with Otford Surgery or Pharmacy, being produced by a commercial organisation, and Otford pharmacy needs your continued support.
