What is insured?

- death;
- permanent scarring caused by third degree or greater burns or by scalding to the neck or any part of the body below the neck;
- disappearance, which leads to the reasonable presumption of death caused by accidental bodily injury;
- permanent scarring of the face or neck;
- total paralysis;
- permanent disablement. This includes:
  - exposure;
  - loss of a digit;
  - loss of hearing;
  - loss of intellectual capacity;
  - loss of jaw, tooth, sight, speech or hearing;
  - loss of, or loss of use of limb, digit, joint or organ; or

What is not insured?

- intoxication or the use of any drug or controlled substance, other than prescribed medication used properly;
- the pupil committing suicide or attempting to commit suicide;

Are there any restrictions on cover?

- Multiple benefits may be paid for the consequences of any accidental bodily injury, but we will not pay more than the maximum benefit amount.
- For burns and scalds, we will pay a percentage of the benefit, depending upon the percentage of the body that has been affected. This is set out in full in the policy wording.
- If we make a payment for disappearance and the pupil is subsequently found alive, the death or disappearance benefit must be repaid to us.

- Cover commences on the date shown in your policy schedule.
- Cover ceases:
