

SEVENOAKS SCHOOL

YEAR 9 (13+) SCHOLARSHIP

May 2018
for entry in September 2018

HUMANITIES

Your Name: _____

Your School: _____

Time allowed: 1 hour 15 minutes (including 5 minutes' reading time)

Equipment needed: Pen, pencil, lined paper, eraser.

Information for candidates:

1. Write your name and school on this page.
2. Write your answers on the lined paper provided. Please put your name on all the sheets of paper you use.
3. There are two parts to this paper (Geography and History). Answer both parts, beginning each part on a separate piece of paper.
4. The paper will be marked out of 40. The Geography part is worth 20 marks and the History paper is worth 20 marks.
5. A summary of marks and time available for the various sections is shown overleaf.

STRUCTURE OF PAPER

PART 1: GEOGRAPHY

Total time: 35 minutes, total marks: 20

There are **two** questions.

Question 1 is a test of your 'Fieldwork and enquiry skills'. You must answer this question.

Question 2 is a 'Theme based question'. You must write an extended response to either part (A) **or** part (B).

PART 2: HISTORY

Total time: 35 minutes, total marks: 20

Answer **one** question from this section.

PART 1: GEOGRAPHY

Total time: 35 minutes; Total marks: 20

There are 2 questions. You should take 5 minutes as thinking time and then spend 15 minutes answering each question

Question 1: Fieldwork and enquiry skills

A river environment

A city centre environment

Using **one** of the images above suggest **one** interesting geographical enquiry question. Outline **four** different pieces of field information (fieldwork data) that might be recorded and describe the fieldwork skills most likely to be used to collect the data. [10]

Question 2: Theme based question

Answer all parts of either question A) **or** question B)

EITHER

The photograph below shows an area where coastal erosion is taking place.

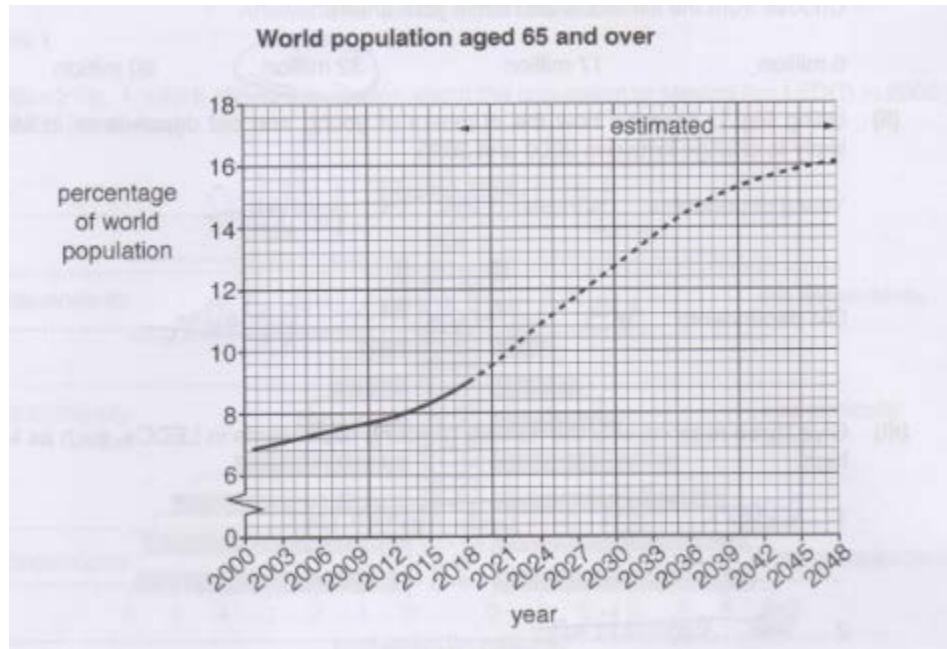

- A i) Give two pieces of evidence that coastal erosion has occurred in the area shown by the photograph. [2]
- A ii) State and define two processes of coastal erosion. [2]

- A iii) Using real place example(s) describe what is being done to manage coastal erosion. [6]

OR

The graph below shows information about the increase in the percentage of the world population aged 65 and over between 2000 and 2048 (estimated)

- B i) Describe the changes in the rate of increase in the percentage of the world population aged 65 and over. [2]
- B ii) State and define two factors that can affect the population rise or fall of a country. [2]
- B iii) Using a named example of a planned or completed transport project describe its costs and benefits. [6]

Total for Part 2: 20 marks

PART 2: HISTORY

Answer **one** question from this section.

You have **35 minutes**. You should spend **10 minutes** thinking about, and planning your answer.

EITHER

1. 'Military experience is the most important qualification for a good ruler.' How far do you agree with this statement? Use any rulers or leaders you have studied as examples.

OR

2. Discuss the impact that scientific development has had upon the societies you have studied.

OR

3. 'Poor living conditions are the main cause of historical change.' Using some examples, show how living conditions have had an impact on any society you have studied.

OR

4. 'Economic policies are the main cause of wars.' How far do you agree with this statement? Use any examples from wars you have studied to support your answer.

Total for Part 2: 20 marks
