

OS 2023 UNIVERSITY DESTINATIONS SEVENOAKS SCHOOL

CANADA	McGill University University of Toronto University of Waterloo	Liberal Arts Linguistics Civil Engineering
FRANCE / AUSTRALIA	Sciences Po and Sydney University	Human and Political Sciences (Dual Degree)
FRANCE / UK	ESCP Business School, London and Paris Sciences Po and University College London	Business Management European Social and Political Studies (Dual Degree)
GERMANY	EBS University	Law
ITALY / USA / HONG KONG	Bocconi University, University of Southern California and Hong Kong University of Science and Technology	World Bachelor in Business (Triple Degree)
NETHERLANDS	University of Groningen	Liberal Arts and Sciences
SWITZERLAND	FHS St. Gallen University of Applied Sciences	Economics
TAIWAN	National Taiwan University	Medicine
UK	University of Bath	Accounting and Finance with work placement Accounting and Management with work placement Aerospace Engineering with professional placement Biology with professional placement Business with Work Placement Chemical Engineering with Professional Placement Economics with professional placement or study abroad Integrated Mechanical and Electrical Engineering – with professional placement International Development with Economics International Management and Modern Languages (French) – with Study or Work Abroad Natural Sciences Natural Sciences with professional placement or study abroad Psychology Psychology with work placement Structural and Architectural Engineering
	University of Birmingham	Biological Sciences with Professional Placement
	University of Bristol	Aerospace Engineering Medicine Veterinary Science
	Brunel University London	Mechanical Engineering
	University of Cambridge	Geography History of Art Mathematics Medicine Natural Sciences Psychological and Behavioural Sciences
	Cardiff University	Medicine
	City and Guilds, University of the Arts London	Art Foundation
	Coventry University	Automotive and Transport Design
	Durham University	Biochemistry Biological Sciences Business and Management with Placement Year Economics Engineering (Mechanical) English Literature Geography History Mathematics Mathematics and Computer Science Natural Sciences Philosophy Physics
	University of East Anglia	Geography and International Development with Foundation Year Liberal Arts
	University of Edinburgh	Accounting and Business Biomedical Sciences English Literature French and Business German and Business International Business with Spanish
	University of Exeter	Accounting and Finance with Industrial Experience Business Economics and Finance with Industrial Experience English and Philosophy with study abroad Flexible Combined Honours Geography International Business and Modern Languages Liberal Arts with Study Abroad Marketing and Management with Industrial Experience Psychology with Professional Placement Renewable Energy Engineering
	University of Glasgow	Marine and Freshwater Biology
	Imperial College London	Chemistry with Molecular Physics Computing Design Engineering Materials Science and Engineering Mechanical Engineering Medical Biosciences Medicine Physics
	King's College London	Anatomy, Developmental and Human Biology Biomedical Sciences Classics and the Ancient World Computer Science Law Politics, Philosophy and Law
	University of Leeds	Business Management with Marketing Economics and History Geography Materials Science and Engineering Mechanical Engineering Modern Languages and English
	University of Liverpool	Biochemistry
	London Institute of Banking and Finance	Finance, Investment and Risk
	London School of Economics and Political Science	Finance History History and Politics International Relations and Chinese Law Management Politics and Philosophy Sociology
	Loughborough University	Automotive Engineering with Foundation Year Computer Science with a placement year Psychology with Placement Year
	University of Manchester	Aerospace Engineering with an Integrated Foundation Year Materials Science and Engineering
	Mountview Academy of Theatre Arts	Acting Foundation
	Newcastle University	Medicine and Surgery
	Northeastern University London	Economics Liberal Arts
	University of Nottingham	Ancient History and History Architecture Chemical Engineering with Environmental Engineering Chemistry Economics Geography Management Medicinal and Biological Chemistry
	University of Oxford	Biology Chemistry Classics Economics and Management Geography History Human Sciences Mathematics Philosophy, Politics and Economics
	Queen Mary University of London	Biomedical Engineering Medicine Neuroscience
	Royal Academy of Dramatic Art	Foundation in Acting
	Royal Holloway, University of London	History
	Royal Veterinary College	Veterinary Medicine
	University of Sheffield	Architecture Medicine
	University of St Andrews	Arabic and French with year abroad Chemistry Psychology
	University of Surrey	Veterinary Medicine and Science
	University of Sussex	Psychology (with a professional placement year)
	University College London	Classics History History, Politics and Economics Mathematics Medicine Philosophy and Economics Statistics, Economics and Finance Sustainable Built Environments, Energy and Resources
	University of Warwick	Economics English and Theatre Studies History and Politics Mechanical Engineering Psychology
	University of York	History and Politics Philosophy, Politics and Economics
USA	Babson College	Business and Entrepreneurship
	Barnard College	Liberal Arts
	Brown University	Applied Mathematics and Computer Sciences Liberal Arts
	University of California, Berkeley	Physics and Philosophy
	University of California, Davis	Liberal Arts
	University of California, San Diego	Data Science
	California Institute of Technology	Liberal Arts Theoretical Physics
	University of Chicago	Biochemistry Liberal Arts
	Columbia University	Liberal Arts
	Cornell University	Computer Science Engineering Liberal Arts
	Dartmouth College	Liberal Arts
	Duke University	Electrical and Computer Engineering and Computer Science
	Georgetown University	International Political Economy
	University of Illinois Urbana-Champaign	Engineering
	Johns Hopkins University	Neuroscience
	New York University	Mechanical Engineering
	University of North Carolina at Chapel Hill	Liberal Arts
	Princeton University	Organisational Research and Financial Engineering
	Purdue University	Engineering
	University of Southern California	Liberal Arts
	Stanford University	Biochemistry
