SEVENOAKS SCHOOL Transport Guide 2024

School Transport Service

Welcome

Thank you for taking the time to look at Sevenoaks School's Transport Service. This is the second version of our accompanying Transport Guide, which sets out the wide range of travel options now available to the pupils at Sevenoaks School.

We are delighted to be continuing our partnership with Vectare, a specialist school transport management company. Vectare are responsible for over 2.5 million school journeys per annum. Vectare will manage all aspects of the school's minibus service, and any enquiries can be directed to their team at **sevenoaksschool@vectare.co.uk**.

All bookings for school bus routes are made via our online booking system, which can be viewed at **sevenoaksschool.vectare.co.uk**. Payment for the service is made at the time of booking (with the option of termly or annual payment) and your child's name will automatically be added to the register. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the School Transport Service and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus as a one off, you can make a booking right up until the bus is due to depart (subject to availability).

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website and we will be pleased to assist.

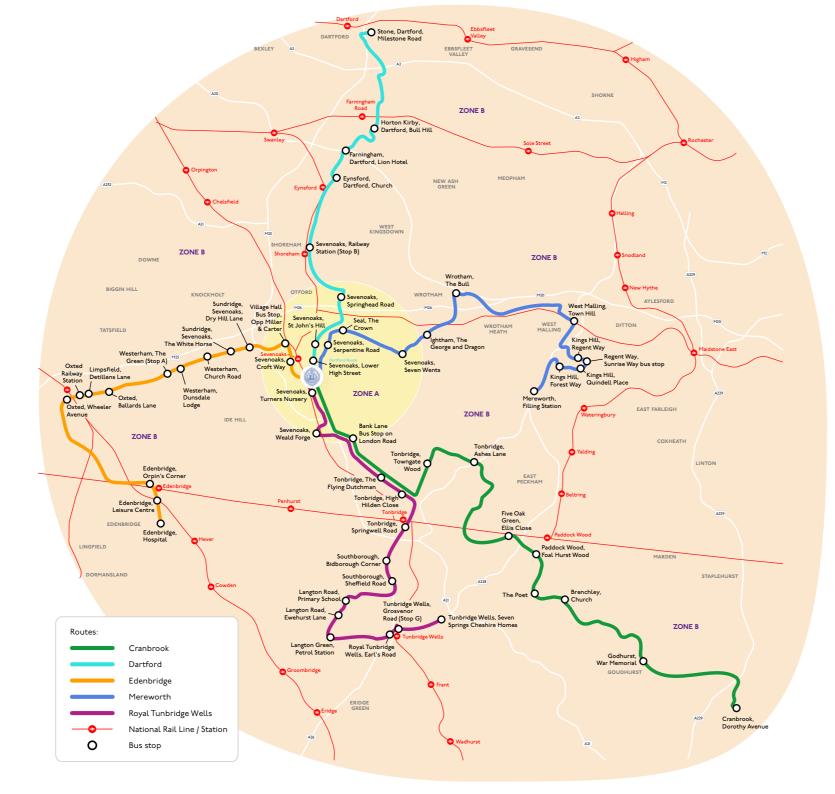

Yours faithfully,

Dr Clare Ives Senior Deputy Head
