

# WELCOME

TO CLUBS AND SOCIETIES

2024-2025

SEVENOAKS SCHOOL

## Welcome to Clubs and Societies at Sevenoaks School.

In the Lower School, we hope you will take part in at least three clubs a week, if your other commitments allow. In the Middle School two to three co-curricular clubs is optimal, depending on your personal timetable. In the Upper School, students are encouraged to join in, and indeed take a leadership role, but there is not a formal expectation.

We strongly encourage you to join one or more of these clubs and societies. We want you to develop your own interests. Our clubs and societies are about enjoying yourself and finding activities and pursuits which will enrich your experience and perhaps develop into lifelong passions. You will no doubt make new friends along the way!

Clubs take place during lunchtimes and after school. Most are open to all, though some are invitation only (eg certain music groups) or have a limit on numbers. Some clubs are 'commitment clubs' which require a formal commitment of a term, and take priority over other activities at that time. If you are not sure where to start, or have clashes, speak to your tutor, who will help you resolve this.

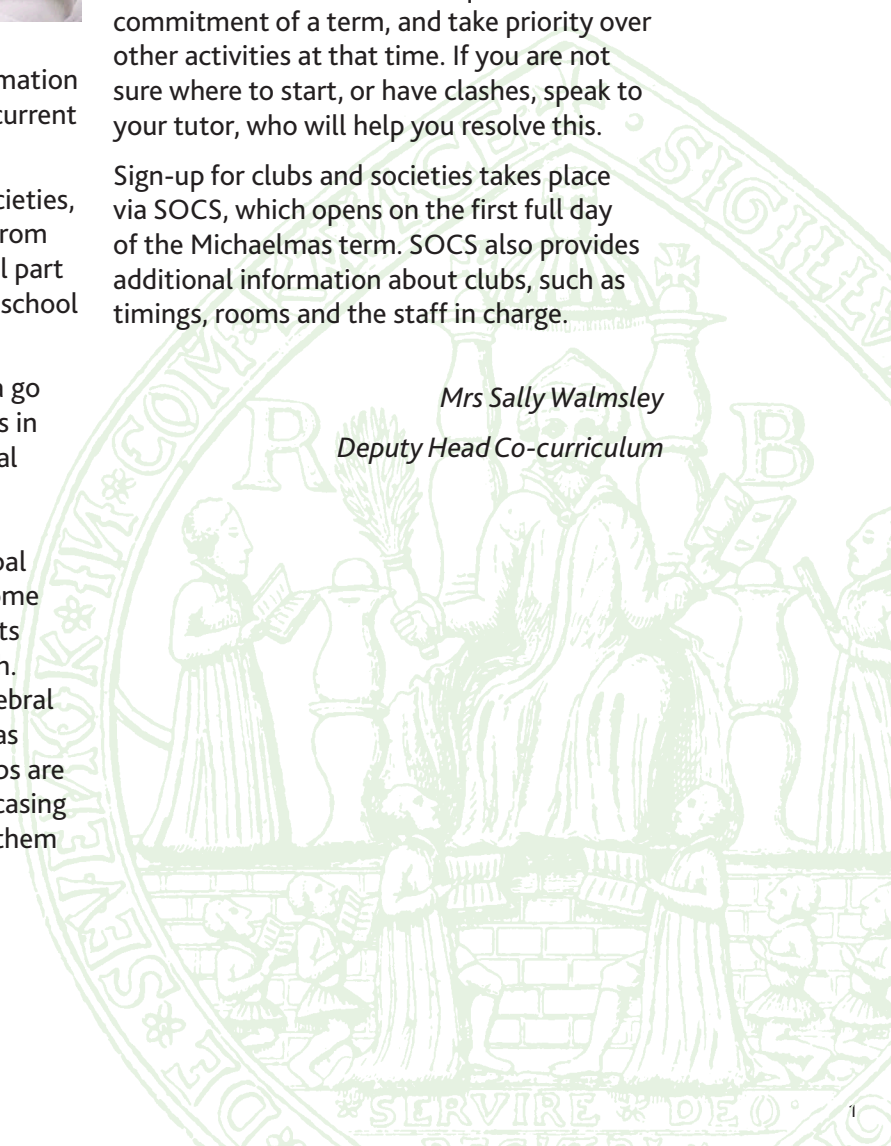

Sign-up for clubs and societies takes place via SOCS, which opens on the first full day of the Michaelmas term. SOCS also provides additional information about clubs, such as timings, rooms and the staff in charge.

*Mrs Sally Walmsley*  
Deputy Head Co-curriculum

This booklet will provide you with information about all our clubs and societies in the current academic year.

Sevenoaks offers over 100 clubs and societies, catering for all age groups and ranging from Animation to Yoga. These are an integral part of the co-curriculum and operate every school day throughout the year.

They offer a great opportunity to have a go at something new, or improve your skills in a current hobby. Clubs might be practical in nature, artistic in outlook, creatively challenging, or extremely active. With our international student body and global outlook, it should be no surprise that some of our clubs and societies explore aspects of different cultures, languages and faith. There are also groups offering more cerebral pursuits, like chess or debating, as well as academic enrichment groups. Many clubs are set up and run by our Sixth Form, showcasing their knowledge and skills, and sharing them with younger years.

LOWER SCHOOL

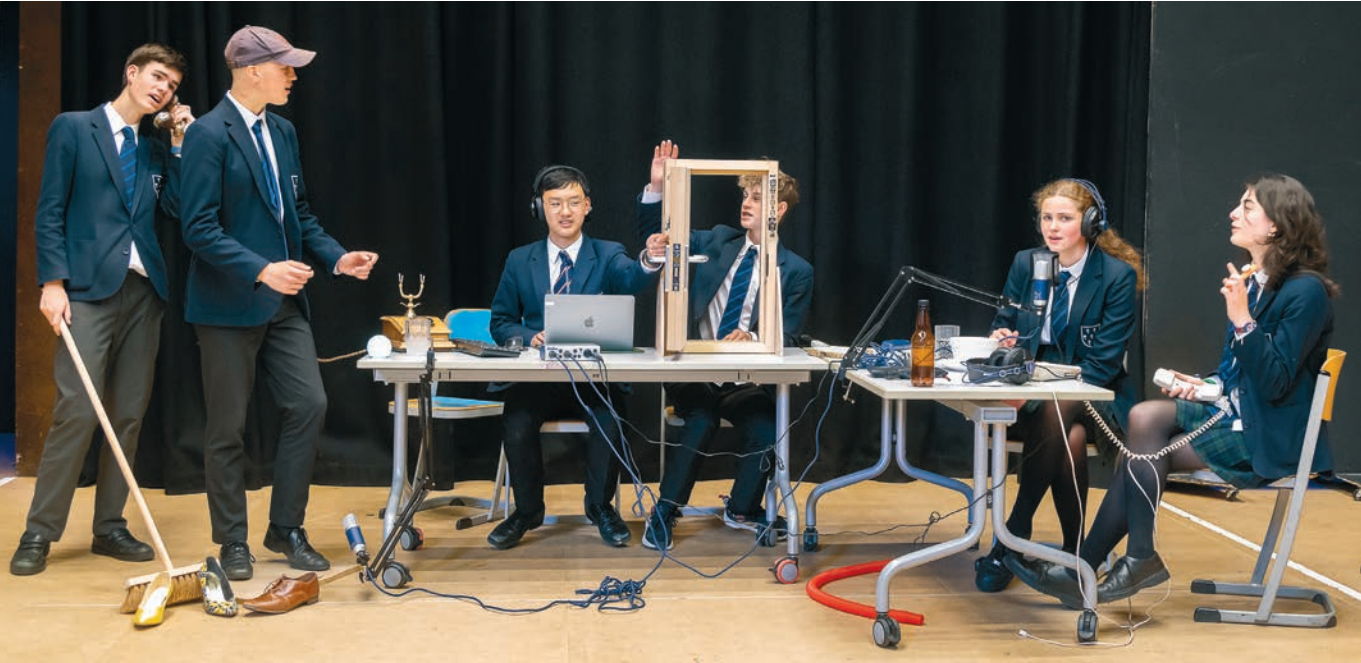

Clubs and Societies	Year Group	Day	Time	Details
Allotment Club	All	Mon	13:00-14:00	
Animation Club	Y7-9	Thurs	16:20-17:45

# The Priority Grid

	Lunchtime	After school
Mon	Wind Band Sevenoaks Strings Lower School sport Senior Tech and Stage Design HE talks	Symphony Orchestra Lower School sport Swimming galas Y9–13 Drama rehearsals
Tue	Foundation Orchestra	Y9–10 sport HE talks Y7–8 Drama rehearsals
Wed	Flute Choir Jazz Band Chorus	Big Band Y9–13 Drama rehearsals
Thu	Lower School Singers Middle School Tech and Stage Design	Y11–Y13 Sport Y7–8 Drama rehearsals IB Art
Fri	Choral Society Lower School Tech and Stage Design	Sennocke Consort Y9–13 Drama rehearsals

- Art
- Drama
- Higher Education
- Music
- Sport

The Priority Grid shows those activities which take priority over other activities taking place at the same time. If a student is arranging another activity at the same time, such as a club, meeting or practice, any activity in the priority grid takes precedence.

Some of these activities are known as 'commitment clubs'. A commitment club is one to which a student must make a commitment of at least a term, sometimes more. Examples are plays (which rehearse over two terms), music ensembles (which work towards a termly performance), sports practices (for a team). There are also Sixth Form HE talks held from time to time: while these don't require a commitment, they are shown in the Priority Grid to stop other Sixth Form compulsory activities being scheduled at the same time.

Should there ever be a dispute between which activity a student should go to (for example, a Symphony Orchestra rehearsal at the same time as a dance practice), the student would generally be expected to be at the commitment club. If there is a particular exceptional reason why the student might be allowed to miss the commitment club, they should discuss this with their tutor, and also approach the teacher in charge of the commitment club to discuss the situation with them, to see whether a compromise or exception might be made.

The above grid is for the Michaelmas term. There are slight changes to the grid every term but it remains broadly the same.
