

SEVENOAKS SCHOOL

TEACHER OF PHYSICAL EDUCATION AND GAMES

THE SCHOOL

Founded in 1432, Sevenoaks enjoys a global reputation as a centre of academic excellence and a flagship school for the International Baccalaureate. A co-educational day and boarding school, it offers a stimulating, intellectually demanding and balanced education for over 1200 students from ages 11 to 18.

Sevenoaks is one of the world's leading IB schools, having taught the International Baccalaureate for over 40 years. For nearly 20 years, all Sixth Form students have taken the IB Diploma, with consistently outstanding academic results which are testament to the school's experience of and commitment to the programme.

Sevenoaks is the top large-cohort IB school in the UK and among the top five globally. In recent years it has been the third highest achieving large-cohort IB school in the world. Sevenoaks is also the top fully co-ed all-IB boarding school in the UK, according to Best Schools (Education Advisers Ltd). In 2025, Sevenoaks was a finalist in both the Independent School of the Year Awards and Tes School Awards for its outstanding boarding provision. A recent inspection report by the Independent Schools Inspectorate (ISI) noted that 'the school's ethos of enquiry, knowledge, care and inclusivity is thoroughly embedded in school life' and described the Service and Partnership Programme as a "significant strength". This is the highest accolade and is only awarded to areas of a school's provision that prove to be outstanding across the sector.

In 2025, the average Diploma score was 39.4 points, about eight points above the world average.

The Higher Education department supported applications of 230 students to universities in the UK, USA, Canada, and Europe. The majority attend Oxbridge, London universities, or other Russell Group universities such as Bristol or Durham. We support about 25 per cent of our students with applications to international universities, with increasing numbers going to North America, specifically Ivy League and top universities in the United States.

Academic excellence is achieved by bright, motivated students, inspired by highly qualified and dedicated teachers in well-resourced classrooms. Sevenoaks delivers a broad, balanced programme of study through exciting teaching. Strengthened by wise pastoral care, Sevenoaks students work hard to satisfy their natural curiosity and extend themselves far above and beyond the core curriculum. The school's international outlook promotes the principles of tolerance and open-mindedness. Regular assemblies, tutor group meetings and a programme of talks help to foster the social and emotional welfare of our students, while a long tradition of service and local and international charity projects advances a core set of values across the student body.

Ambitious but principled, confident and compassionate, our students are prepared for leadership in an ever more complex world.

'Tough for any university not to be an anti-climax after Sevenoaks.' Good Schools Guide.

We employ hundreds of staff who work in a wide range of different departments. The school is one of the largest employers in the local area and aims to

be an employer of choice for top staff from around the world. All Sevenoaks staff are encouraged to enjoy facilities such as our sports centre and pool, attend performances at our performing arts centre, and get involved in service activities within the local community. We strive to promote the positive mental and physical health of all staff, and are committed to ensuring that equity, diversity and inclusion are at the very heart of our culture and community. We believe every member of the school community should feel welcomed, included and valued.

THE CAMPUS

The school is situated in the Kent market town of Sevenoaks and has a prime position at the top of the high street. The 100-acre site, which includes several listed buildings and attractive gardens, is beautifully landscaped and adjoins the medieval deer park of Knole. London is only a 30-minute train ride away and the school is in commutable distance from several Kent towns including Orpington, Tonbridge, Tunbridge Wells, Bromley, Kings Hill and Dartford.

Recent developments on campus include a superb sports centre, a state-of-the-art performing arts centre, a world-class Science and Technology Centre and a Global Study Centre for the Sixth Form. Our campus has earned several architectural awards, including two RIBA National Awards (2019, 2022).

With eight distinctive and comfortable boarding houses, our boarding community is fun, friendly and busy.

TEACHING AT SEVENOAKS

Teaching here is immensely rewarding: we work in high-performing teams towards a shared endeavour. Everyone appointed to teach at Sevenoaks School is expected to engage actively in all aspects of our broad and well-rounded education, across a six-day week, with lessons on Saturday mornings and sport on Saturday afternoons.

We want all our students to enjoy their subjects, to be inspired by their teachers and to become independent, lifelong learners. Teachers are enthusiastic and well-qualified graduates. We have an exceptionally lively, talented and committed staff body. We welcome applications from experienced teachers and newly qualified teachers but can also provide training including PGCE for those joining the profession at whatever stage. All new staff undertake a comprehensive induction programme. Sevenoaks is committed to supporting its staff with training and professional development tailored to staff needs and interests.

All teachers are involved in proactive pastoral care. All teachers participate in the co-curriculum and, as our outreach activities expand, contribute to our work with local students and schools. Teachers at Sevenoaks are innovative and forward-thinking many are involved in the Institutes of Teaching and Learning, Higher Education and Professional Insight, and Service and Partnerships, shaping further development and initiatives for students and staff alike.

CURRICULUM

At every stage, we offer a broad, deep, and integrated

curriculum. Every student is encouraged to be curious, creative, critically aware, and to develop their passion and talent to the full. Life is fast-paced, dynamic, and expectations are high. At the same time, the school seeks to cultivate in its students the habit of reflecting on their learning, and on how they contribute to society more broadly. Ambitious and principled, confident, and compassionate, our students are prepared for leadership and teamwork in the wider world.

Regular assemblies, tutor group meetings and a programme of talks help the social and emotional understanding in our students, and a long tradition of voluntary service and local and international charity projects advances a core set of values across the student body.

In Years 7-11 all students take courses in critical thinking developed by the school. The Middle School Diploma recognises the learning that takes place both within and outside the classroom and is built around seven core values: creativity, independent learning, critical thinking, international understanding, collaboration, self-awareness, and social responsibility.

All of the 500-plus Sixth Form students pursue the International Baccalaureate Diploma, a programme the school has delivered for 40 years. The Diploma is the best preparation for university and for work in a world of global competition. Even more important, it genuinely develops a rich inner life in our students, opening their minds to connections and possibilities within and across the subject disciplines.

It is no surprise that our students leave Sevenoaks to

study a wide range of courses in the UK and around the world. Each year, leaving students progress to the world's top universities, including Oxford and Cambridge, and around one in four take places at leading US and international universities. They do so with an enlarged capacity for independent thought and intellectual risk-taking, a strong appetite for learning, and equipped with the skills and personal qualities conducive to a happy and successful life.

THE PHYSICAL EDUCATION AND SPORTS DEPARTMENT

Sevenoaks offers an outstanding sporting education, providing opportunities for every student to thrive within an inclusive and inspirational environment. The PE and Sports department is dynamic and ambitious, providing a variety of sports and activities to all students.

We are looking for a candidate to deliver outstanding Physical Education and sports provision within one of the country's leading sports schools. The successful candidate will combine exceptional teaching with high-level coaching expertise, inspiring pupils to achieve excellence in performance, participation, and lifelong engagement in sport. The role requires the ability to lead a specific sport as a specialism while also coaching and supporting a broad range of activities across the curriculum and co-curricular programme.

PHYSICAL EDUCATION

A diverse concept-based curriculum is taught with the aim to enhance the physical literacy of every student, whilst fostering and developing

personal attributes through physical activity. As a department, we have an explicit focus upon the strengths of character through participation in sport, linking to the schools IB learner profile.

PE module topics include Athletic Development, Athletics, Co-ordination, Communication, Independence, Reflection, Striking and Fielding and Swimming. These topics cover a vast number of different sports and compliment the performance of our students within the fixture programme.

All pupils joining the school in Year 7 take two PE plus one swimming lesson per fortnight. Year 7 and 8 also enjoy 2 games afternoons which will include their fixtures, as well as after school training sessions.

There are 8 full-time PE teachers and several part-time coaching staff who, along with many academic staff, support and deliver our sports programme.

SPORT

Every PE teacher leads a sport within the whole school programme, and we are looking for an applicant with a specialism to be able to drive one of our sports. The Heads of Sports work together as a team under the leadership of the Director of Sport.

From Year 9 onwards students have two games afternoons including their main fixture programme which will take place on a Saturday afternoon, with the occasional mid-week fixture. The department run a series of tours and trips all over the world which provides unprecedented opportunity for students to enjoy developing their expertise and competing against international students.

All Sixth Form students will choose their sports options from the vast and encompassing programme, and this provides two afternoons of training and fixtures or activity. The presence of almost 200 students with international backgrounds enriches the student body and develops awareness in other countries and their sporting interests. There are regular sporting competitions to participate in, and several Sevenoaks sports teams have enjoyed progressing through to Regional and National competitions in recent years.
